

# INTERNATIONAL SUMMER RESEARCH PROGRAM 2025

The International Summer Research Program is an eight-week summer program offered by the International Office of the University of Guanajuato. It seeks to provide undergraduates with research training, mentorship, and cultural immersion.

## PARTICIPANTS WILL:

- Undertake 8 weeks of faculty-guided research
- Engage in cultural activities
- Meet with peers
- Present a poster / oral presentation of research results.
- Build professional connections

## PROGRAM DATES

- Early June to late July, 2026

## RESEARCH AREAS

- Arts
- Economic and Administration Sciences
- Engineering
- Health Sciences
- Life Sciences
- Natural and Exact Sciences
- Social Sciences and Humanities

## TOTAL WORKING HOURS

240 hours

## APPLICATION INFORMATION

### APPLICATION FILE

1. Letter of nomination from the International Office of the proposing institution (full name and email indicating that the student is academically recommended to conduct research)
2. Letter of recommendation from a professor
3. Copy of current passport (page with photo)
4. Academic record
5. Letter of intention (written by applicant)

### INSTITUTIONAL NOMINATIONS

Higher Education Institutions through the International Office must send the documents to [international.events@ugto.mx](mailto:international.events@ugto.mx):

**Subject: International Summer Research Program Nomination \*full name\***

**\*Application files sent directly by students will not be considered. \***

### LETTER OF ACCEPTANCE

Students will receive an Acceptance Letter following thorough document review and approval.

### ELECTRONIC REGISTRATION

Students whose official nominations have been approved will receive an email containing a username and password to register on the UG electronic platform: <https://intraug.ugto.mx/>. It is essential for students to finalize their registration by April 27, 2026.

### ASSIGNMENT TO A RESEARCH GROUP

As of May 15, 2026, students who have successfully finished their electronic registration may join a professor's research team at the University of Guanajuato, allocated based on their preferred field of study as indicated in the recommendation letter from a professor and a statement of intent. This information will be communicated to each student via email.

### DEADLINE:

**March 2<sup>nd</sup>, 2026**

## FINANCIAL INFORMATION

The program registration fee is covered by the University of Guanajuato

### COSTS TO BE COVERED BY THE PARTICIPANT

- Round trip to and from Guanajuato International Airport (BJX)
- International Medical Insurance
- Personal expenses during the stay
- Entrance/Participation fees for cultural activities

### UNIVERSITY OF GUANAJUATO STIPEND

Students who have been accepted into the program may be eligible for financial support, which will be provided during the course of the program, to cover accommodation and meal, without the need to submit a separate application.

Participants are hereby advised to ensure that they have adequate financial resources to cover their living expenses prior to their journey to the city of Guanajuato, as financial assistance will not be provided to all attendees.

## ACTIVITIES

- Airport pick-up
- Introductory course for international students
- Opening ceremony
- Research period
- Delivery of final research products
- Cultural immersion activities
- Conference and closing ceremony
- Certificates of participation
